Dear Samantha:

I am sending this letter to you, Dave and Jeff for giving my family the opportunity to own our own home.

You and the guys have taken a chance with my husband and me when no one else would. You have been there for my family through the whole process of trying to own our home, taking us through every step of the way.

You opened the door of opportunity for us to walk right through and for that we are grateful to your company. Not only have you been a landlord to us, you was also a friend someone I know I use to bug when I was down. I really appreciate you being there for my family and me when my husband was stuck in Africa on the 9-11-01 disaster. You gave me words of encouragement and were there to console me. Now what landlord you know takes out the time to do those little things for a person.

I am so happy that we have had the opportunity to meet you and the guys. And everyone has been very understanding through any situation that I may have had.

So for that I am sending this letter with a rating of 150% approval that Equitas Group really works and my family and the house we live in is proof of that. Thanks ever so much for everything and may you, the guys and your company be blessed and prosperous.

**THE ANTHEM FAMILY**
